PRODUCT

BREAKAGE

Wash Day Tracker

HOW TO USE IT

One row per wash day. Tick what you did, then write how your hair reacted. Within 4 wash days you will already see patterns.

DATE	PRE-POO	WASH	DEEP CONDITION	DETANGLE	L.O.C. / L.C.O.	STYLE	HOW YOUR HAIR REACTED

GOLDEN RULE

Change only ONE thing between two wash days. Otherwise you will never know what actually worked.
